A PERSONAL MESSAGE

(from the owner)

This price list is dedicated to the Collector of average means, who desires to build a fine American Collection at minimum cost.

With this goal in view we have eliminated as much as possible the high priced items such as proof cents etc.

Instead we offer choice Unc. and V.F. coins which we believe give you most for your money.

In the Barber dimes, Quarters, Halves where Unc. or V.F. is out of the question for most collectors we offer V. Gd. which is still a desirable grade and we usually have all dates in stock even the tough ones like 1895-O dime, 1901-S quarter etc.

All of our working time, experience and capital is devoted 100 percent to giving you our customer the best values obtainable in the Numismatic market, not only in the coins you buy, but also in service, advice and lasting Friendship.
